

The Hives, Tick Tick Boom (Alternate Chorus)

Boom!

Yeah

I was right all along,

Yeah

You come tagging along,

Exhibit A: On a tray, What you say,

Ends up thrown in your face,

Exhibit B: What you see? Well that's me,

I'll put you back in your place

You've been playing my game

And It's always the same

And now you must be insane

Because you do it again

It's too late, It's too soon,

Or is it...

Tick Tick Tick Tick Tick Tick Boom!

Ow

Yeah

I was right you were wrong,

Yeah

Going, going, you're gone!

I saw you hesitating, waiting too much,

Until it slipped through your hands,

And then you stagger to your feet and out the door,

Because there's no second chance!

You've been playing my game

But It's always the same

And now you must be insane

Because you do it again

It's too late, It's too soon,

Or is it...

Tick Tick Tick Tick Tick Tick Boom!

Now you come crying to me...

But it's too late!

The man you've try hard to be,

But it's too late!

Get your head out the sand,

But it's too late...

Too late

Too late

Too late

Too late

Ow

Yeah

But it's too late!

But it's too late!

Too late

Too late

Too late

You've been playing my game

But It's always the same
And now you must be insane
Because you do it again (2x)

It's too late, It's too soon (3x)
Or is it...

Tick Tick Tick Tick Tick Tick Boom!
