

# The Hold Steady, Banging Camp

Holly wore a string around her finger. she said it helps her to remember all the nites that we got over.  
When they say great white sharks. they mean the kind in big black cars. when they say killer whale

Holly wore a cross to ward them off. she said if they think yr a christian then they won't bring in the  
When they say black and tans. they mean the kind from the cans. we don't got time to mix it all tog

I saw her at the party pit. she was shaky but still trying to shake it. half naked and three quarters wa  
I saw him at the riverbank. he was breaking bread and giving thanks. with crosses made of pipes a  
He said take a hit. hold your breath and i'll dunk your head. then when you wake up again. you'll be

There's strings attached to every single lover.
