

# The Hold Steady, Chips Ahoy!

She put \$900.00 Ddollars  
On the fifth horse  
In the sixth race  
I think its name is "Chips Ahoy!"  
Came in six lengths ahead,  
We spent the whole next week getting high  
At first i thought that she hit  
Off some tip that she got from some other boy  
We were overjoyed

I got a girl and she don't have to work  
She can tell which horse is gonna finish in first  
Some nights the painkillers make the pain even worse

Came in six lengths ahead  
We spent the whole next week getting high  
I love this girl but i can't tell when she's having a good time

How am I supposed to know that you're high if you won't let me touch you?  
How am I supposed to know that you're high if you won't even dance?  
How am I supposed to know that you're high if you won't let me touch you?  
How am I supposed to know that you're high if you won't even dance?

She's hard on the heart  
She's soft to the touch  
She gets migraine headaches  
When she does it too much

She always does it too much

How am I supposed to know that you're high if you won't let me touch you?  
How am I supposed to know that you're high if you won't even dance?  
How am I supposed to know that you're high if you won't let me touch you?  
How am I supposed to know that you're high if you won't even dance?

And you won't even dance
