

# The Hollies, Don't Even Think About Changing

(Clarke / Hicks / Nash)

When people put you down  
It's cause they're jealous of you  
They shouldn't make you frown  
You know as well as I do

It's cause I love you  
For the things you do for me  
One day they'll realise  
And wish that they were me

One thing I know for sure  
We both get satisfaction  
That's why they're mad at us  
'Cos they ain't got what we got

It's 'cos I'm happy  
For the things you do for me  
One day they'll realise  
And wish that they were me

Don't even think about changing  
You've got a life of your own

Break

Don't even think about changing  
You've got a life of your own

Why don't they understand  
Our feelings are sincere  
One day they'll be surprised  
Because we are so near

To all the things they tried  
To be when they were young  
That's why they don't agree  
And take it out on us  
It's cause I'm happy  
For the things you do for me  
One day they'll realise  
And wish that they were me

It's cause I'm happy  
For the things you do for me
