The Hollies, I Shall Be Released

(Dylan)
They say every thing must be replaced
They say every distance is not near
Yet I remember every face
of every man who put me here

I see my light come shining From the west down to the east Any day now, any way now I shall be released

They say every man needs protection They say that every man must fall Yet I swear I see my reflection somewhere so high above this wall

I see my light come shining From the west down to the east Any day now, any way now I shall be released

Standin next to me in this lonely crowd A man who swears he's not to blame All day long I hear him shoutin so loud Cryin' out that he was framed

chorus

Any day now, any way now I shall be released
