

The Hollies, It's You

(Clarke / Hicks / Nash)

Don't raise your voice to me
And don't be unkind
I'm just a foolish man
Who doesn't know his mind
There is a reason
I don't love you like I should
And it's you
Yes, it's you
Oh it's you

Try understanding
I'm a simple man at heart
The way you carry on
I think we'll drift apart
I can't afford to live
The way you want us to
So, it's you
Yes, it's you
Oh, it's you

Why can't I love you
Why can't I love you
Cause I'm not the kind of man you are looking for

If everything is wrong
We'll go our separate way
You'll have to find a man
Who does just what you say
To break up is a shame
It spoils the chance we had
But it's you
Yes, it's you
Oh, it's you

Why can't I love you
Why can't I love you
Cause I'm not the kind of man you are looking for

If everything is wrong
We'll go our separate way
You'll have to find a man
Who does just what you say
To break up is a shame
It spoils the chance we had
But it's you
Yes, it's you
Oh, it's you
