

# The Hollies, Love Is The Thing

Love is the thing  
It always comes back to love  
In the end

Love is the thing  
That brings you closer to a friend  
In the end

Love, love, love

Love takes you back  
To the first love you had  
Remembering

They say you can't forget  
Your first taste of love  
Memories

Love, love, love

Love is the thing  
It always comes back to love  
Don't try pretend

Love is the thing  
That brings you closer to a friend  
Don't try pretend

Love is the thing  
It always comes back to love  
In the end

Love is the thing  
That brings you closer to a friend  
In the end
