The Hollies, Love Is The Thing

Love is the thing It always comes back to love In the end

Love is the thing That brings you closer to a friend In the end

Love, love, love

Love takes you back To the first love you had Remembering

They say you can't forget Your first taste of love Memories

Love, love, love

Love is the thing It always comes back to love Don't try pretend

Love is the thing That brings you closer to a friend Don't try pretend

Love is the thing It always comes back to love In the end

Love is the thing That brings you closer to a friend In the end
