## The Hollies, Slow Down

(Leslie / Day)
Got to stop from running
Got to make myself slow down
If I need some loving
Got to find some love around

I can't hold on It's been so long and I'd do anything to find some love good love If I slow down if I take a look around maybe I'll come across some home sweet home

If I slow down Yeah if I slow down If I slow down Yeah if I slow down
