The Hollies, Stop In The Name Of Love

(Holland / Dozier / Holland)
Oh baby I'm aware
Of where you go
Each time you leave my door
Watching you walking down the street
Knowing there's another guy you meet
This time before you run to him
Leaving me alone again

Think it over
Haven't I been good to you babe
Think it over

Stop in the name of love
Before you break my heart
Stop in the name of love
Before you tear it apart

I'm trying hard
Hard to be patient
Wish you'd stop
This infatuation
But each time I think of you together
I see myself losing you forever
This time before you leave my heart
And rush back into his arms

verse 2

Haven't I been sweet to you baby
