

The Hoosiers, The Trick To Life

Everything you love turns to dust
You'd make more of it but you felt rushed
By all that's periphery
You held tight but on the contrary

The trick to life is not
To get to attached to it
The trick to life is not
To get to attached to it

You'd kill for answers but
Learn to live with questions
what, why, how and if
I'll sit back detached
Tear out your hair oh
But on the contrary

The trick to life is not
To get to attached to it
The trick to life is not
To get to attached to it

Everyone you love turns to dust
You'd jump off the edge
But you feel pushed
By all that's unnecessary
You tread but your off on the wrong foot

The trick to life is not
To get to attached to it
The trick to life is not
To get to attached to it
The trick to life is not
To get to attached to it

Don't get attached to
Attached to life
Don't get attached to
Attached to life
Don't get attached to
Attached to life

The trick to life is not
To get to attached to it
The trick to life is not
To get to attached to it

Don't look your life passed you by
'Cause you're too attached to it
Don't look your life passed you by
'Cause you're too attached to it
