

# The Hooters, Mr. Big Baboon

A great bear in the woods wants all he sees  
From the snakes in the grass to the chimpanzees  
We all know it ain't fair, it's a jungle out there  
So go bang your drum, Mr. Big Baboon  
What monkey see monkey will do  
Boom boom boom boom, Mr. Big Baboon

Mad dog on the prowl sees the bear in the trees  
They can never be friends, they're natural enemies  
So you better beware, it's a jungle out there

So go bang your drum, Mr. Big Baboon...

Mr. Big Baboon sees the dog and bear  
It's a three way tie, it's a stalemate there  
Facin' off eye to eye, it's a jungle out there

So bang your drum, Mr. Big Baboon  
You can all join in, monkey see monkey do  
Boom boom boom boom, Mr. Big Baboon!...
