

# The Horrorist, One Night In New York City

Hello, my name is Olivier  
and I'm going to tell you a story.  
It's about a young girl...

She's only fifteen years old and has blond hair and blue eyes.

She lives with her parents in New Jersey and they love her very much  
and one night she and her friends decided they were going to come to New York City.

"My Parents are away and I'll take their car,  
they will never know! We're gonna have a great time!" she said.

And they drove over the George Washington Bridge and drove downtown to the Lunelight.

"Wow, look at this line!"

"Don't worry I know the guy at the doors, we'll get in."

And they did.

"So many people, look at that guy's shoes... they must be a mile high!"

And she turned around and bumped into a reallu cute guy.

They had a good time, they danced for hours and hours;

and she had a few drinks too! "Hey" he said,

"My roommate's not home and well, I was wondering if you wanna, you know... come to my p

I just don't wanna be alone." And she said "yes".

So they got into a taxi and went to 3rdave

and 11th street to the NYTJ dorn rooms and went upstairs and sat on his bed.

And he said "Take this pill..." And she did.

And then she said "What did you just give me?" "Extacy".

he said. And then...

He fucked her all night,

fucked her all night,

fucked her all night,

fucked her all night...

It's just one night in NYC.

One night in NYC.

One night in NYC.

One night in NYC.
