

# The Horrors, Who Can Say

I never meant for you to get hurt  
And how I try, oh how I try  
I could never give you just what you deserve  
Another man would surely learn

I know these words may only serve to twist the knife  
but I'll strive to make them heard  
Maybe it's better now I've gone away  
Maybe it's not, oh who can say

And though it's hard for me to say  
I know you're better off this way

And when I told her I didn't love her anymore  
She cried  
And when I told her her kisses were not like before  
She cried  
And when I told her another girl had caught my eye  
She cried  
And then I kissed her with a kiss  
That could only mean goodbye

And though it's hard for me to say  
Maybe you're better off this way  
And though it's hard for me to say  
I know you're better off this way

Get away!
