

# The hours, Ali in the Jungle

It's not how you start it's how you finish  
And it's not where you're from it's where you at  
Evrybody gets knocked down, evrybody gets knocked down  
How quick are you gonna get up? Just how are you gonna get up?  
Like Ali in the jungle  
Like Nelson in jail  
Like Simpson on the mountain -with odds like that they were bound to fail  
Like Keller in the darkness  
Like Adams in the dock  
Like Ludvig Van how i love that men- well guy went deaf and didn't give a fuck  
It's not where you are it's were you're going-  
Where are you going?  
And it's not about the thinkgs you've done it's what you're doing now-  
What are you doing now?  
Like Ali in the jungle  
Like Nelson in jail  
Like Simpson on the mountain -with odds like that they were bound to fail  
Like Keller in the darkness  
Like Adams in the dock  
Like Ludvig Van how i love that men- well guy went deaf and didn't give a fuck  
It's the greatest comeback since Lazarus
