

The house keepers, Hangin` on

You`re the reason for the melody!
I keep on listenin` to what my heart is tellin` me
The atmosphere is fillin` up with heat
Feels so right...
And the Dj`s spinnin` all night
Uuuu You, keep me hangin` on
And the feelin` is so strong
And it keeps me goin` on and on and on and on...
Baby, you satisfy me
Cause I need you
Don`t you leave me hangin`
Baby, don`t deny me
Cause I need you
Don`t you leave me hangin` on...
Don`t you leave me hangin` on...
