The Human League, Love Action (I Believe In Lov

When you're in love you know you're in love No matter what you try to do You might as well resign yourself To what you're going through If you're a hard man or if you're a child It still might get to you Don't kid yourself You've seen it all before A million mouths have said that too, ooh

I've had my hard times (hard times!) in the past I've been a husband and a lover too I've laid alone and cried at night Over what love made me do

And the loved ones who let me down And couldn't share my point of view But this is Phil talking I want to tell you What I found to be true

I love your love action Lust's just a distraction No talking just looking Watching your love action

I believe I believe what the old man says
Though I know that there's no Lord above
I believe in me
I believe in you
And you know I believe in love
I believe in truth
Though I lie a lot
I feel the pain from the push and shove
No matter what you put me through
I'll still believe in love, and I say

I love your love action Lust's just a distraction No talking just looking Watching your love action

I love your love action Lust's just a distraction No talking just looking Watching your love action

I love your love action Lust's just a distraction No talking just looking Watching your love action

Love action Love action

I love your distraction I love your love action Lust's just a distraction No talking just looking Watching your love action

I love your love action Lust's just a distraction No talking just looking Watching your love action
