

# The Human League, Only After Dark

I feel my spirit fly  
Only after dark - ahh  
I kiss the world goodbye  
Only after dark - ahh

Fight with the city lights  
Only after dark - ahh  
Run, I'd like to run away  
Only after dark - ahh

Won't you disappear into midnight with me  
Why don't you come, why don't you come, why don't you fly, fly, fly with  
Sweet elusive Fate , will be our company

Bring out the vamp in me  
Only after dark - ahh  
Moon, sinful as can be  
Only after dark - ahh

It's wrong to feel so free (!)  
Only after dark - ahh  
Only you know it can be  
Only after dark - ahh

Won't you disappear into midnight with me  
Why don't you come, why don't you come, why don't you fly, fly, fly with  
Sweet elusive In Fade , will be our company

Personal Note from John Von Ahlen :  
I give up. Anybody who knows what the words are in the chorus - PLEASE - email me!  
I just can't figure it out :
