

# The Human League, Open Your Heart

And when it hurts you know  
They love to tell you  
How they warned you  
They say "Don't be surprised  
At someone's lies"  
They think they taunt you  
But if you can stand the test  
You know your worst is better  
Than their best

And so you stand here  
With the years ahead  
Potentially calling  
With open heart  
Or with a spirit dead  
You walk on

Love is the reason  
Faith or treason  
Playing a part  
End concealing  
Try revealing  
Open your heart  
Dare to feel  
Take the chance  
Make the deal

Being an island  
Shying from trying  
Seems the easy way  
Such an easy way  
But there's no future  
Without tears

Love is the reason  
Faith or treason  
Playing a part  
End concealing  
Try revealing  
Open your heart

But if you can stand the test  
You know your worst is better than their best

Love is the reason  
Faith or treason  
Playing a part  
End concealing  
Try revealing  
Open your heart
