

The Human League, The Real Thing

La la la
Love is the real thing
You know
Love is the real thing
La la la la
La love
La la la
Love is the real thing
You know
Love is the real thing
La la la la

She is waiting

In the office

For the bell to go
She is thinking
Of their meeting
Just a month ago
Now she's running
Through the people
Everyone so slow
Now he holds her
And he loves her
He tells her so and

La la la

Love is the real thing

You know
Love is the real thing
La la la la
La love
La la la
Love is the real thing
You know
Love is the real thing
La la la la

By the nightfall
They have driven
From the world they know
She's so happy
They're together
And their love will grow

And when you feel your chance has come
Who's going to throw it all away
And if there's someone left behind
You have to say that

La la la
Love is the real thing
You know
Love is the real thing
La la la la

La love
La la la
Love is the real thing
You know
Love is the real thing

La la la la

La la la
Love is the real thing
You know
Love is the real thing
La la la la
La love
La la la
Love is the real thing
You know
Love is the real thing
La la la la
