

# The Incredible String Band, Can't Keep Me Here

I'm going way over the white skyline  
And I'll sing and be happy  
And you can't keep me here no how.

And I'll sing and be happy  
and my world is my own  
And I'll do what I want to  
And you can't keep me here no how.

Hey baby, don't cry for me  
Hey baby, when the sun comes up I'll be free.

And I'm going way over the white skyline  
And I'll sing and be happy  
And you can't keep me here no how.

Ah baby, don't cry for me  
Hey baby, when the sun comes up I'll be free.

And I'm going way over the white skyline  
And I'll sing and be happy  
Cause you can't keep me here no how.
