The Incredible String Band, This Moment

This moment is different from any before and this moment if different it's now
And if I don't kiss you
That kiss is untasted
I'll never get it back
But why should I want to
I'll be in the next moment
Sweet moment
Sweet lover
Sweet now

The walls of this room are different from any before them They are now They are now The air that you breathe is different from any before it It is now It is now

You may think that life is repeating Repeating Repeating Repeating Repeating

You may think that life is repeating Oh no Oh no Oh no Oh no Oh no Oh no

Each moment is different from any before it Each moment is different it's now
