

# The (International) Noise Conspiracy, Black Mask

get ready to blend in, to put it on and disappear  
soft fabric against the skin, I could be anyone anywhere  
put it on, put it on, put it on, I need something that could turn me on  
put it on, put it on, put it on, I need something that could turn me on  
I wanna get that feeling, I wanna get that feeling, I wanna get that feeling, I wanna get it  
to have a brand new identity or to be no one at all this time  
does my eyes deceive me when I'm about to steal your mind  
put it on, put it on, put it on, I need something that could turn me on  
put it on, put it on, put it on, I need something that could turn me on  
I wanna get that feeling, I wanna get that feeling, I wanna get that feeling, I wanna get it  
just give me a black mask, just give me a black mask baby yeah...  
put it on, put it on, put it on, I need something that could turn me on  
I wanna get that feeling, I wanna get that feeling, I wanna get that feeling, I wanna get it...
