

# The (International) Noise Conspiracy, Do U Know

do you know, know my name? so where do we, do we begin?  
papercuts, yeah, papercuts, yeah, papercuts from writing too much  
do you know, know my name? let's make a list of our complaints  
let's make a list, let's make a list, make a list and put it to flames  
do you know how it feels to not owe anyone anything, come on  
do you wanna know how it feels, yeah  
do you know, know my name? let's make a list of our complaints  
let's make a list, let's make a list, make a list and put it to flames  
i'm tired of playing, i'm tired, make it all go away and that's what i say  
i'm tired of playing, i'm tired, make it all go away and that's what i say  
do you know, know my name? let's make a list of everything  
let's make a list  
do you know, know my name?
