The (International) Noise Conspiracy, The Blast C

ready for explosion, ready for explosion, unexpected yeah, unpredicted ride gonna set it all on fire, gonna make it all just fade away, just so we can't stay for long the second heatwave, the second's coming coming all over, over me like a rocketship all set to go, like a blast off to the moon i told you so get ready to go yeah yeah, misdirection - insurrection - with the conspiracy yeah cutthroat times, cutthroat times and trouble so they say, anyway now it's time to play with each other, now it's time to play another ??? there for the final one, there for the final time, we'll be just fine, be just fine just give us a little bit of soul and here we go! overload and explode! misdirection - insurrection - with the conspiracy yeah
