The Intruders, I'll Always Love My Mama

I'll always love my mama She's my favorite girl I'll always love my mama She brought me in this world

Sometimes I feel so bad When I think of all the things I used to do How mama used to clean somebody elses house Just to buy me a new pair of shoes

I never understood how mama made it through the week When she never ever got a good night's sleep

Talking 'bout mama She's one of a kind Talking 'bout mama You've got your yours, and I've got mine Talking 'bout mama Oh, hey mama, hey mama, my heart belongs to you

I'll always love my mama
She's my favorite girl
You only get one, you only get one, yeah
I'll always love my mama
She brought me in this world

A mother's love is so special It's something that can't you can't describe It's the kind of love that stays with you Until the day you die

She taught me little things like "Say Hello and Thank you, please" While scrubbing those floors on her bended knees

Talking 'bout mama She's one of a kind Talking 'bout mama You've got your yours and I've got mine Talking 'bout mama Oh, hey mama, hey mama, my heart belongs to you

I'll always love my mama She's my favorite girl I'll always love my mama She brought me in this world
