## The Isley Brothers, Prize Possession

Sanctuary Is what you Are to me Yeah No dictionary Can find The words to say

How much I love you Hallejiah

It's bout time I found someone Whose gonna love me

For me

Hey Miss Beloved Since you come into my life And unlocked the door To my heart

I've been free

Many have called But the chosen are few Yeah Said there's so few That's why I'm so happy Woman To be lying next to you Yeah

Prize possession You're my Movie star My near or far My everything

You are my Prize possession You are my cozy nights My fireplace My sweet melodies

You put the light at the end of my

Tunnel Yes you did And you did not let me die When it looks like life was gettin' away From me Ohhh You loved And clothed And you fed me woman I remember Momma You're my best friend I love you And woman you've got to know your

My prize possession Said you are my Movie star My near or far My Christmas carol

Prize possession

You are my Cozy nights My fireplace My sweet melodies

Lady April
Let your rain fall down
It's much cozier when it's wet
We can cuddle up together
Oohhhhh
Aww!
C'mon suga
We can weather any storm
A family that prays together
Will stay together
