The Isley Brothers, Secret Lover

(Intro)
La da da da da la da da
Oh yeah
La da da da da la da da
Oh, yeah yeah
Oh

I been waiting for you girl So much on my mind I wanna to do (Like) lay you down (And like) mess around (Like) all night long Girl, let's get it on

1 - My secret loverMy mystery girlI wanna play hide and seekBaby, let's creep between the sheets tonight

My secret lover My mystery girl I wanna play hide and seek Baby, let's creep between the sheets tonight

My door is open wide, let me come inside Shadows fill the room from the candlelights See our bodies moving to the groove, yeah So girl let's get it on, ain't no time to lose

You got me on cloud nine And I don't wanna come down Your lovin' soothes my soul And I love it when you come around

Repeat 1

This meal is on my plate I can't wait to taste, taste you girl Good lovin' going down all around this place (Like) upstairs (And like) down there (Like) everywhere Woman, I don't care

Repeat 1

If the wind blows, no one knows 'Bout the hiding place on my porch You body's cold, let me step to you And rub you down nice and slow Nothing but the water And opportunity for you and me So baby girl just ride my wave Until the next day Can't you feel me babe, oh baby

My secret lover My secret lover
