

The Isley Brothers, Take A Ride

Listen Baby

You need direction, Love and Affection
Someone to be there, a man that truly cares
Put your trust in me, and I will set you free
I know of a better place
And I happen to be going that way

(Chorus)

Take a ride, Win me baby
On a highway that leads to love
Come with me, sail free under the sky way
Just both of us

(Repeat)

Relax, enjoy the ride
Cuz soon we will be there
Leave troubles way behind
Cuz joy is waiting there
So hold on to my hand
Picture us on a island
Making love on the pouring rain
You and me will be like cast away

(Chorus)

Soon we'll reach our destiny
Once were there we'll know we're free
Your body screaming as we lay
Girl our love, take us away

(Chorus)
