

# The Jacksons, Darling Dear

Jackson 5

The game of love  
Is such a beautiful game  
If you've got time, little girl  
I'd like to explain  
All the do's and don'ts  
All the wills and won'ts

So Lend an ear, darling dear  
(Sweet darling dear)  
Do be sincere  
And true love will appear  
Don't be shy  
Or love will pass you by  
If you will  
My heart you may steal  
If you don't  
The game of love you lose alone

(Darling dear)

Do be sincere  
And true love will appear  
Don't be shy  
Or love will pass you by  
If you will  
My heart you may steal  
If you don't  
The game of love you lose alone

(First)

First I'll place my arms  
So gently around you

(Then)

Then whisper darling I'm so glad I found you

Then your lips unwind  
A simple touch wouldn't mind  
A kiss will stay, darling dear  
(Sweet darling)  
Darling, darling dear, yeah  
(Sweet darling dear)  
Darling dear  
(Sweet darling dear)  
Darling dear
