

The Jacksons, I'm Glad It Rained

Its raining, its raining
Its raining, its raining

Chorus:

Oh, Im Glad It Rained
Im Glad It Rained
In this house I stay
Oh, Im Glad It Rained
Yes, Im Glad It Rained
I wish it rained everyday

This morning I woke up
To just another day
Nothing specially planned
Since my girls been gone
Ive had nothing to do
She made my days through and through

Thats why Im glad its cloudy
Starting to rain
Now I can stay at home
You see I need this excuse
And theres no need denying
I want to be alone

Chorus:

Oh, Im Glad It Rained
Im Glad It Rained
In this house I stay
Oh, Im Glad It Rained
Yes, Im Glad It Rained
I wish it rained everyday

Its raining, its raining
Its raining, its raining

Now when this rain subsides
I guess Ill have to go outside
But I still have nothing to do
Cause this girl I lost
She was my world and I recall
She made me feel ten feet tall

Chorus:

Oh, Im Glad It Rained
Yes, Im Glad It Rained
In this house I stay
Oh, Im Glad It Rained
Yes, Im Glad It Rained
I wish it rained everyday
