

The Jacksons, Just Because I Love You

Buh buh buh buh
Buh buh buh buh
I love you.

(Jermaine:) Whoah, little girl
(Michael:) Whoah, little girl

(Jermaine:)
You wonder why I stop and stare
Every time that you are near
Just because I love you.

The silly things I say and do
Are all designed to get attention from you
Just because I love you.

(Michael:)
(Listen)
Hey, girl, would you believe
He's slowly going out of his head.

(Jermaine:)
And it's just because, just because I love you.

Ah, if you were mine I'd promise you
I'd do all I can to make your dreams come true
Just because I love you.

(Michael:)
(Listen)
Hey, girl, would you believe
He's slowly going out of his head.

(Jermaine:)
Oh, and it's just because, just because I love you.

(Michael:)
Whoah, little girl, just because I love you

(Jermaine:)
Believe me, girl, this is true
Don't want no other love but you.

(Michael:)
Just because I love you.

(Jermaine:)
Oh, watch me, baby, hear me say
Gonna marry you, girl, and take you away.

(Michael:)
Just because I love you.

(Jermaine:)
Oh, that is why I stop and stare
Every time you are near.

(Michael:)
Just because I love you.

(Jermaine:)
Believe me, girl, this is true
Don't want nobody else but you... (fade)
