

# The Jacksons, Nothin' (That Compares 2 U)

I'll give my all and all  
To you and no other woman  
Never will I let you down  
Never will I do wrong

And I'll give my heart and soul  
And hope that you will never let me go  
Never had a woman so fine

And if I give my love completely  
(Will u love me in return)  
And if it's in your heart then show me  
Then you'll never have to worry  
Cause I'll always be around

(Chorus: (2x))  
Nothin'  
And I do mean nothin'  
Nothin' that compares 2 u  
You're so fine that I'm scared of you

I'll give my everything  
To you and have no other  
Ever since I fell in love  
Never have I been down

You've been the only one  
Promise my one and only lover  
Never has my love been so sound  
And if you give your heart completely

I will never let you go  
And I will love you girl so sweetly  
You will never have to worry  
Cause I'll always be around

(Chorus 4x)

And if I give my love completely  
Will you love me in return  
And if it's in your heart then show me  
You will never have to worry  
Cause I'll always be around

(Chorus 4x)

(Repeat and fade out)
