

# The Jacksons, One More Chance

Everybody loves the star  
When he's on the top  
But noone ever comes around  
When he starts to drop

But you were someone special  
You stuck through thick and thin  
But I was much too busy  
Trying to shine  
To let your love shine in

Let you slip away  
I must have been insane  
Stop in the name of love  
Don't make me live my life in vain

(Chorus)  
Give me one more chance  
That's all I ask of you  
Just one more chance  
I'll make it up to you  
Just one more chance  
That's all I ask of you  
I'll build you a world for two  
I'll make it up to you

Now since I'm all alone  
I'm talking to myself  
I know you're out there somewhere  
Having fun with someone else

But a distant voice of hope  
Echo from within, sayin'  
(Don't give up)  
(Your ship is comin' in)

Though my ship's alone  
I'll play right to the end  
I'm crying outside  
heaven's door  
Won't you let me back in

You'll never know  
What I've been through  
Let your love shine in again  
This time I'll shine with you
