

# The Jacksons, The Boogie Man

My mama told me when I was quite young  
Don't be a bad boy and don't run  
'Cause he's gonna get you  
He's gonna get you

So little girl that's why I'm tellin' you  
Don't you dare break my heart in two  
Or he's gonna get you  
He's gonna get you (Sing)

THE BOOGIE MAN is gonna get you  
If you're messin' around in the dark  
Playin' with my love and affection  
That ain't smart, no that ain't smart, oh

So little girl that's why I'm tellin' you  
Take my love, take my money  
But don't you dare break my heart in two  
Or he's gonna get you (He's gonna get you)  
He's gonna get you (He's gonna get you) Sing

THE BOOGIE MAN is gonna get you  
If you're messin' around in the dark  
Playin' with my love and affection  
That ain't smart, no that ain't smart, oh

Look out, look out, here he comes, there he is, run  
The Boogie Man will get ya  
The Boogie Man will get ya  
The Boogie Man is gonna get ya (If you're a bad girl)  
The Boogie Man is gonna get ya (Don't make me sad girl, oh)  
Here he comes, here he comes, here he comes, here he comes, whoo

The Boogie Man is gonna get you  
If you're messin' around in the dark  
Playin' with my love and affection  
That ain't smart, no that ain't smart, oh

The Boogie Man is gonna get you ( I'm crazy about you baby)  
If you're messin' around in the dark (I'm crazy 'bout your love)  
Playin' with my love and affection  
That ain't smart, no that ain't smart, oh
