

# The Jam, Disguises

I used to know everything about you  
But today when I tried to point you out to one of my friends  
I picked the wrong girl again  
Can't see you in the crowd anymore  
I think it's you but I can't be sure  
You're wearing disguises  
Occasionally a girl surprises me when she turns out to be you  
Wearing disguises  
I don't think you want me to see you ever again  
Yesterday I saw you dressed as a flower bed  
Last week you had a wig on your head  
Mis-directed traffic in the street  
And your shoes were too big for your feet  
You're wearing disguises  
Occasionally a girl surprises me when she turns out to be you  
Wearing disguises
