The Jam, Disguises

I used to know everything about you But today when I tried to point you out to one of my friends I picked the wrong girl again Can't see you in the crowd anymore I think it's you but I can't be sure You're wearing disguises Occasionally a girl suprises me when she turns out to be you Wearing disguises I don't think you want me to see you ever again Yesterday I saw you dressed as a flower bed Last week you had a wig on your head Mis-directed traffic in the street And your shoes were too big for your feet You're wearing disguises Occasionally a girl suprises me when she turns out to be you Wearing disguises
