## The Jam, Heat Wave

Whenever I'm with you Something inside starts burning Snd my hearts filled with fire Stop this - it's got a hold on me I said this ain't the way it's supposed to be

It's like a heatwave burning in my heart I can't keep from crying Tearing me apart

Whenever she calls my name Sounds so soft sweet and plain Right then, right there I feel this burning pain This high blood pressure's got a hold on me I said this ain't the way love's supposed to be

Whenever I'm with you Something inside starts burning And my hearts filled with fire

Something's got me amazed Don't know what to do My head's in a haze
