

# The Janoskians, That's What She Said

1, 2, 3, 4!

That's What She Said  
That's What She Said

I like you when I'm winning  
I like being on top  
That's What She Said  
I like you when we blow real lights  
'Cause I don't want you to stop  
That's What She Said  
I like your double feature  
I like it really long  
That's What She Said  
I like the sun tan lotion  
Put it anywhere you want  
That's What She Said

Time to show some skin  
The water's fine  
So we're all jumping in

Take, take, take, take, take it off  
That's What She Said  
That's What She Said  
No, no, no, no don't ever stop  
That's What She Said  
That's What She Said  
You know I want you  
You know I mean to  
Take, take, take, take, take it off  
That's What She Said  
That's What She Said  
That's What She Said  
That's What She Said  
That's What She Said

I like when you're the chauffeur  
I like the way you drive  
That's What She Said  
I like the old Camaro's, I want the 69  
That's What She Said  
I hate McDonald's burgers  
But I love in and out  
That's What She Said  
I want a double, double baby  
Put it in my mouth  
That's What She Said

Time to show some skin  
The water's fine  
So we're all jumping in

Take, take, take, take, take it off  
That's What She Said  
That's What She Said  
No, no, no, no don't ever stop  
That's What She Said  
That's What She Said  
You know I want you  
You know I mean to  
Take, take, take, take, take it off  
That's What She Said

Close your eyes, make a wish tonight

Got you by my side and I  
Can't believe it!  
Way you walk and the way you talk  
Put you on my arm  
For the world to see it!  
Took it slow now we lose control  
Rolling round the floor, rolling round the bed  
You my chick and you so legit  
But I'll finish off quick like  
That's What She Said

Take, take, take, take, take it off  
No, no, no, no don't ever stop

Sir, I think it would be a good idea for us to

Take, take, take, take, take it off  
That's What She Said  
That's What She Said  
No, no, no, no don't ever stop  
That's What She Said  
That's What She Said  
You know I want you  
Do you want me too?  
Take, take, take, take, take it off  
That's What She Said  
Take, take, take, take, take it off  
That's What She Said  
That's What She Said  
Take, take, take, take, take it off  
That's What She Said  
That's What She Said
