

# The Jayhawks, Blue

Where have all my friends gone  
They've all disappeared  
Turned around maybe one day  
You're all that was there  
Stood by on believing  
Stood by on my own  
Always thought I was someone  
Turned out I was wrong

You brought me through  
And you made me feel

Chorus:  
So Blue  
Why don't you stay behind  
So Blue  
Why don't you stop and look at what's going down

Lived by an old woman  
She'd never sell me a lie  
It's hard to sing with someone  
Who won't sing with you  
Give all of my mercy  
Give all of my heart  
Never thought that I'd miss you  
That I'd miss you so much

You brought me through  
And you made me feel

(Chorus)

All my life (Stand by)  
I've waited for (Stand by)  
Someone I (Waiting round)  
Could show the door (Now, that I'm blue)  
But nothing seems to change (That I'm blue from now on)  
You've come back into my arms

So Blue  
Why don't you stay behind  
So Blue  
Why don't you. Why don't you stay behind.  
So Blue  
Why don't you. Why don't you stay behind.  
So Blue  
Why don't you stop and look at what's going down
