

The Jayhawks, I'm Still Dreaming, Now I'm Yours

(Olson) Gunflint Music BMI

Before the first life (light?)
Hits the floor
Dying on some wind
So afraid of losing you

So I made a change
There is no one there
Tell you how to live
Not knowing where you been

Chorus:
I'm still dreaming, now I'm yours
I'm still dreaming, now I'm yours

Woke up that same way
So easy for me
Listen to the sunrise
Do I know you better now?

(Chorus) *2

(Verse 1)

(Chorus) * 3
