

The Jayhawks, Jesus in The Driver's Seat

I'm putting Jesus right in the driver's seat
I'm putting Jesus right in the driver's seat
Lord help me Jesus to guide me through these streets
I'm gonna turn my troubles into there Jesus
I'm gonna turn my troubles into there Jesus
Frosty the Snowman is riding next to me
I'm putting Jesus right in the driver's seat
I'm putting Jesus right in the driver's seat
Lord help me Jesus I'm falling to my knees
I'm gonna turn my troubles into there Jesus
I'm gonna turn my troubles into there Jesus
Lord help me Jesus to guide me through these streets
I'm putting Jesus right in the driver's seat
I'm putting Jesus right in the driver's seat
Lord help me Jesus I'm falling to my knees
I'm putting Jesus right in the driver's seat
I'm putting Jesus right in the driver's seat
Frosty the Snowman is riding next to me
