

The Jayhawks, Will I Be Married

(Olson) Gunflint Music BMI

Will I be married
First girl I see coming down the road?
Will I lay dying
Along the highway where the tall trees grow?

Chorus:
Trees above me know that I'm below
Someone that lived before?
How will I know?
How will I know?

Where is this king's crown
Who stole away with the goods?
Will I be a bum
Stand in line for my own bed?

(Chorus)
