## The Jayhawks, Will I Be Married

(Olson) Gunflint Music BMI

Will I be married
First girl I see coming down the road?
Will I lay dying
Along the highway where the tall trees grow?

## Chorus:

Trees above me know that I'm below Someone that lived before? How will I know? How will I know?

Where is this king's crown Who stole away with the goods? Will I be a bum Stand in line for my own bed?

(Chorus)
