

# The Jesus And Mary Chain, Dirty Water

It's off then it's on  
It's on then it's gone  
It's high and it's steep  
It's wide and it's deep

Fuck with me, and I'll fuck with you  
Isn't that what we're supposed to do  
Kick me down and I will kick you too  
Isn't that what we're supposed to do

I've been swimming in the dirty water  
I've been swimming where the fish won't go

I've been swimming in the dirty water  
I've been swimming where the fish won't go

It's off then it's on  
It's on then it's gone
