

# The Jesus And Mary Chain, I Can't Get Enough

I can't get enough of you  
God gave me strength and I gave it to you  
I've got sticks in my spine but what can I do  
I can never never never get enough of you

You're my kind  
Honey you're so cool  
You're so cool  
You're my kind  
You'll be the death of me

Something to do something to hold  
I won't come until I've been told  
Give me a kick give me it quick  
Gimme gimme gimme till I'm sick

You're my kind  
Honey you're so cool  
You're my kind  
You'll be the death of me

Can't get enough  
I can't get enough
