

The Jesus And Mary Chain, New Kind Of Kick

written by Ivy Rorschach and Lux Interior

life is short
filled with stuff
i don't know where i fall
i ain't had enough
i learned all i know
by the age of nine
ah i could better myself
if i could only find

some new kind of kick
something i ain't had
some new kind of buzz
i wanna go hog mad

i'm lookin' lookin' lookin' for
something i ain't had before
i'm lookin' lookin' lookin' lookin' to find

some new kind of kick
some new kind of kick
come on gimme a kick
some new kind of kick
like baby needs mom
like susie needs dick
this baby needs
some new kind of kick
some new kind of kick
some new kind of kick
some new kind of kick

i'm lookin' lookin' lookin' for
something i ain't had before
i'm lookin' lookin' lookin' lookin' to find

new kind of kick
new kind of kick
new kind of kick
new kind of kick
come on
new kind of kick
gimme new kind of kick
new kind of kick
yeah new kind of kick
