

# The Jesus And Mary Chain, Something's Wrong

Another day goes by me  
Another day of life without you  
And as I look around me  
I feel so lonely there's no one  
No one here beside me  
No one here to help to see me through  
To see me through  
To see me through  
Cause I need you  
Cause I need you

Been standing still for much too long  
And I realise there's something wrong  
I'm feeling strange, I need a change  
And I realise that there's something wrong  
There's something wrong  
There's something wrong

Another two years over  
Don't understand what's happened to me  
These days are so much colder  
Up against the fire, don't feel any heat  
Cracked up years behind me  
Cracked up years ahead are all I see  
Are all I see
