

# The Jesus And Mary Chain, Sowing Seeds

I see people going down  
All gods people going down  
And I should not be alone  
And I should be on my phone  
Yes I should be on my phone  
Yes I should be on my phone

I'll go where that apple goes  
I touch with an apple touch

I see people  
Candy people

I'm sowing seeds  
I'm sowing seeds

I feel as sharp as a carving knife  
So I feel in love for the very last time  
I'm sick of the beating by everyone  
I'm sick of the beating by everyone  
I want peace  
I want peace  
I want peace  
I want peace

I'm sowing seeds  
I'm sowing seeds  
I'm sowing seeds

I'm sowing seeds  
I'm sowing seeds
