

# The Jesus And Mary Chain, Taking It Away

So I'm standing on that street  
Same fucking place  
Same running feet  
The way I'm going  
I feel it well  
No need to hurry  
We'll soon be there

Take me where I wanna be  
Taking it away

Well I can't hurry  
Right off this street  
It was where I have to be  
Well I can't see  
Still feeling for me  
Well I should  
I wish I could

Take me where I wanna be  
Taking it away
